

TERMS AND CONDITIONS

GENERAL TERMS AND CONDITIONS OF AESCULAP ACADEMIA, UK

1. REGISTRATION

Please complete and return the registration form, ensuring that all payment details have been completed. Payment must be received no later than 4 weeks prior to the course. If payment is not received we reserve the right to allocate your place to another delegate.

2. CANCELLATION BY THE DELEGATE

A full refund will be given for all events cancelled no later than 4 weeks prior to the event date. After this time and up to 14 days before the date of the event, we will offer to offset the value of the event against another Academia event, or for refunds an administration charge of 10% of the event fee will be made. For cancellations that are made between 14 and 7 days before the date of the event we reserve the right to charge half the participation fee. The full participation fee will be payable for cancellation after this period and for non-attendance.

3. EVENT CONTENT

We reserve the right to change the event content, the venue or location and/or the faculty at any time. However, we make every effort to ensure that all events run as advertised.

4. CANCELLATION OF THE EVENT

We reserve the right to cancel/reschedule the event, at any time. Cancellation notices will be sent to the email address or number given on the registration form and receipt will be assumed unless evidence of non delivery is received. A full refund of event registration fees (only) will be made to participants who are unable to attend on the rescheduled date. Aesculap Academia will not accept liability for any other loss, damage, costs or expenses incurred by the Delegate as a result of the cancellation/rescheduling of the event, including without limitation: professional fees or other earnings and costs.

5. DATA PROTECTION

With your registration you confirm to your personal information being recorded for the purpose of event administration and to receive information on future events from Aesculap Academia.

If you wish to be removed from our database please send an email to: academia.bbmuk@bbraun.com.

6. HEALTH CONCERNS

Please inform us if you have any existing health conditions or dietary requirements we should be aware of.

INTRODUCTION

Revolution not evolution – optimal balloon angioplasty leaving nothing behind.

It is with great pleasure that we can announce the 4th UK DCB-only PCI meeting. This year has seen the release of a number of significant long awaited studies, and many of these are included in the programme. The emphasis is always on the concept, the data behind the concept and the practicalities of the stent-less procedures. We once again expect lively debate with an increasing level of interest from UK and international delegates and faculty.

Some of the new additions to the UK faculty include Rod Stables, Keith Oldroyd, Alun Harcombe and Peter O’Kane. We are also delighted to welcome back Robert Byrne. As always, the backbone of the meeting is provided by Bruno Scheller and Franz Kleber – two of the Godfathers of the DCB concept.
